A warm welcome

It is our pleasure to welcome you to Rhiwlas, a purpose-built Barchester care home situated in Flintshire, Wales.

Rhiwlas has been designed with residents' comfort in mind and offers a warm and welcoming environment. Our home sits in beautifully landscaped gardens that feature a pond and outdoor seating areas, the perfect spot for residents to relax and socialise with family and friends.

Our team of qualified and passionate staff focus on the individual needs of each person – delivering support and bespoke residential, nursing and respite care through the use of personalised care plans.

We are proud to provide a delicious selection of seasonal meals and a variety of activities and events, and most importantly reassurance and support for residents and their families.

At Rhiwlas, providing independence and choice for all is very important to us – that's why we encourage residents to be as active and social as they'd like to be and to personalise their room with their own belongings to help them feel at home.

Residential care • Nursing care • Respite breaks
En-suite bedrooms • Larger rooms for couples • Conservatory

Care tailored to you

Personalised care plans ensure each person in our care has the support they require from a team of experienced and passionate care staff.

At Rhiwlas residents are treated with dignity and respect. Our approach to care is based on the use of tailored care plans. These are drawn up with the individuals and their families to identify all care needs.

Each individualised care plan ensures the highest standard of care, dignity and respect for each person.

Residential care

The residential care we provide supports older people who might need help with the tasks of daily living, including washing and dressing, but who don't require nursing or specialist care.

Nursing care

Our skilled and professional nurses identify your nursing and care needs. A nurse is on duty 24 hours a day to deliver care, and to ensure the quality of care being delivered.

Respite care and short breaks

A short break or respite care is ideal for those looking for a bit of extra care, either following a hospital stay, illness or if their usual care is not available. It also gives you the opportunity to see what life is like in our home and if it's the right place for you.

Delicious food and life-enriching activities

We place great importance on ensuring variety and choice – from a wide range of life-enriching events, entertainment and activities to delicious seasonal menus.

Residents have a choice of nutritionally balanced meals three times a day, which along with our snack menu, offers residents a wide choice at a time that suits them. A selection of freshly prepared cakes and biscuits to complement our teas and coffees are always available.

Our team of experienced chefs ensure every meal is made from the freshest ingredients, and is not only delicious but also reflects personal likes, dislikes and dietary needs through seasonal menus.

We offer an array of stimulating activities every day that are tailored to the interests and abilities of the people we support. Each activity is designed to enhance life skills and give a feeling of purpose and self-worth, encouraging residents to choose whether to continue with existing hobbies or try something new.

Our life-enrichment programme promotes positive well-being and offers regular events, entertainment and excursions out of the home.
