

BARCHESTER

*Celebrating life*

# Understanding dementia care at Barchester

Join us for our informative virtual event to learn about Barchester's approach to dementia care from one of our dementia specialists, Deena Heaney (MBE).

Saturday 14th May | 11am

Tuesday 17th May | 7pm

We understand there's a lot to consider when looking for care, and as the UK's sector-leading provider of dementia care, we strongly believe people living with dementia should lead a fulfilled and happy life, with the dignity and respect they deserve.

Our informative virtual events will explain how our personalised care is at the heart of everything we do, and how our dedicated environments, positive dining experience and meaningful activities delivered by Barchester's well-trained teams are supporting residents living with dementia to continue doing the things they love every day.
