PLATINUM JUBILEE NEWSLETTER

A note from the General Manager

We've had a fantastic year so far at Waterside Court and 2022 has marked a lot of "firsts" for us! We celebrated our first birthday on 29th March with residents and family members. Residents loved the live entertainment we had booked throughout the day and they thoroughly enjoyed the celebration cake trolley!

Waterside Court also hosted our first Symponia Live Event and welcomed local solicitors and financial advisors to discuss how support for new and existing residents can be enhanced.

We are also looking forward to hosting our first public event on the Jubilee weekend! We have included more information below on this amazing event but please feel free to join us in celebrating this amazing event.

As always, please feel free to contact me if you have any questions about life here at Waterside Court.

What we've been up to...

OXFORDSHIRE FIRE & RESCUE

We celebrated International Firefighters' Day alongside the firefighters from Oxfordshire Fire and Rescue Service.

On this day we acknowledge the sacrifices of those who have lost their lives while serving the community. We really wanted to send a big THANK YOU to the local firefighter team, for all they do in protecting our communities night and day! Our residents and staff think you're all amazing and really enjoyed seeing the engine close up and spending time with you chatting over tea & cake.

CHIN, CHIN TO COCKTAILS

Celebrating World Cocktails day on 13th May. To mark the day, residents had so much fun taking part in shaking their own cocktails.

Our resident ambassador Pearl was full of smiles as she pushed the trolley. Cheers everyone!

POTTING & PLANTING

We've been springing into summer in the Waterside Gardens with a visit to the garden centre for plants.

Our lovely residents and their families have enjoyed planting some brightly coloured flowers into our high standing plant boxes. One respite resident also volunteered his daughter to assist with some weeding!

EXPLORING WALLINGFORD

Located down one of the pedestrianised streets we found 'Mr Simms Olde Sweet Shoppe' and it took us right back to those after school days, when we had pocket money to spend.

The shop is filled with every sweet thing you can imagine, from jars full of boiled sweets of every flavour, lollipops and fudges, to homemade chocolates and sugar-free toffees.
