

Celebrating Barchester's 30 years of care

# Join us at our Open Day

**Saturday 15th October**

## **30 years of tailored care**

We believe our residents should enjoy a fulfilled and happy life, with specialist support to continue doing the things they love. Which is why all staff receive training to deliver personalised care and why we are committed to helping families by providing the best possible support for their loved one.

## **30 years of exceptional food**

Mealtimes are the highlight of our residents' day, with a choice of delicious meals served restaurant style in our dining rooms. With freshly baked treats available throughout the day, all prepared by our talented chefs with a focus on nutrition and well-being.

## **30 years of enriched well-being**

Our wide range of events, activities and outings are tailored to residents' individual preferences to support their mental, physical, social and spiritual well-being to keep the fun in every day.
