Care as unique as your loved one

By taking the time to get to know each person, tailored care is provided with a focus on their comfort and well-being. Our dedicated team is trained in a variety of skills, including specialist dementia care.

Delicious and nutritious food

Mealtimes are an important part of each day, with favourite dishes and seasonal menus always catered to personal preferences and enjoyed in our sociable dining rooms.

Everyday laughter and joy

From discovering new hobbies and passions to doing the things they've always loved, every day has something new. Our home offers art and fitness classes, outings and events, and even virtual performances from the likes of V&A Dundee, English National Ballet and The Wallace Collection.
