

General Manager Focus:

A word from Home GM Ive Alexander.

We started the summer by celebrating the Coronation of King Charles III. For many of our lovely residents this is the third monarch they have seen and the last Coronation we saw was for our dear Queen Elizabeth II, when we lived in a totally different world in every way!

We were delighted to celebrate our oldest residents Birthday, as Beryl turned 102 and were privileged to host an art exhibition highlighting her life's work.

The summer fun continues as we look forward to our homes open day and being able to welcome members of the community into our wonderful home.

On Behalf of myself and the senior team in the home I also wanted to thank our colleagues for their tireless dedication to their roles and for always striving to better the lives of our residents.

We are incredibly lucky to have such a wonderful team at Tixover House.

Beryl's Art Exhibition

Tixover House was proud to host an exclusive Art Exhibition featuring the life works of our oldest resident at 102 and professional artist - Beryl

Residents, family, friends and colleagues were invited to view Beryl's marvellous works of art.

Beryl herself was delighted to see her life works on display for everyone to enjoy and was overjoyed by the amount of people who came to visit her exhibit,

SPOTLIGHT ON...

Pride month is a celebration of the LGBTQIA+ community and the wonderful contributions they have made to society. It is also a time to raise awareness, celebrate diversity and promote equality.

In celebration of Pride Month, we have watched a colourful Pride March on the iPad, learned about the history of Pride Month with activity packs and decorated our home (and ourselves!) in bright rainbow colours.

What we've been up to...

Stamford Chess Club vs Tixover

We were delighted to welcome the Stamford Chess Club into our home.

Our guests from the local club enjoyed a buffet spread featuring fresh fruit, Danish pastries and a selection of cheeses and hams.

As they enjoyed a very sporting game of chess with our residents

Virtual Trip to RAF London

Our residents enjoyed a special Barchester live virtual event as we were joined by The Royal Air Force Museum London to learn more about the first flights from RAF Hendon, the creation of the London Aerodrome and Hendon's Battle of Britain pilots.

Our Lounge area was adorned in Spitfire decorations and union jack bunting, much to our residents delight.
