Meet Rebekka, our General Manager at Ouse View Care Home!

She began her Barchester journey in 2015 as a Housekeeping Assistant and, through her commitment and hard work, has since progressed through various roles to her current position as General Manager at the home.

"I am responsible for running this beautiful, purpose-built home and my passion is to provide an outstanding service for those that we support in a warm and pleasant environment.

KEV IS CROWNED

Kev Field at Ouse View in Fulford has been crowned Health & Safety Champion for the North Division in the Barchester Care Awards 2023 and is through to the national round of judging.

The Barchester Care Awards celebrate the staff who go the extra mile for the benefit of the 13,000 residents living in Barchester's 252 care homes and private hospitals across the country. Categories range from 'Registered Nurse of the Year' and 'Carer of the Year' to 'Dementia Care Champion' and 'Activities Coordinator of the Year'.

Almost 4,000 nominations were received from homes and hospitals across the UK. All entries were a very high standard and Kevin Field is over the moon to have been named the winner for the North division beating hundreds of other nominees.

As the winner for North division, Kevin Field is through to the national finals in which the overall winner is decided. They will join winners from across the UK at a special awards event in October to celebrate their outstanding achievements and discover if they have won a national award.

General Manager, Rebekka Richardson, said: "This is an amazing achievement and the whole home is supporting Kev. We are so proud of him nothing is ever too much trouble for Kev always puts the needs of residents and the home before his own on a daily basis".

MAGIC TABLE SENSORY UPDATE

On our memory lane community we have three new exciting games, launched in the last 3 months.

Residents in the home now have new games which bring back memories of some childhood favourite games such as 'floating Stick' and a number of counting games. The magic table involves reaching, stretching, coloured lights and musical sounds to fully immerse each individual into the sensory game.

Making Joan's Dream a reality

One of our residents at Ouse View was able to re-kindle her love for rugby thanks to the generosity of Carl and Emma from Van guard York. She received two tickets to the York City Knights against Featherstone Rovers match at the community stadium.

Joan had an amazing time and was treated like royalty. First we were escorted to the ticket collection by Carl and Morgan from the management suite Vanguard, before being checked in by the very friendly security staff on the turnstile. The whole afternoon we chatted to fans and cheered the Knights on. Staff could not have been more courteous opening doors and assisting us to our seats. Joan and I will have a day to remember for years to come.

Thank You

From all the team at Ouse View we'd like to say a big thank you to you all for all your support and understanding over the last few months. We'd love you to leave us a review if you haven't already at
