BARCHESTER
Celebrating life

Hello Spring!

What another fabulous few months it has been! We have tried our hands at some wonderful new activities from painting masterclasses, our new garden and book clubs. We have celebrated Valentine's Day with the fabulous duo- '2 Penny Piece' who kept us entertained with their vocals and guitar skills.

We have also celebrated a number of National days from Pancake Day, with a little friendly competition of tossing the pancake before decorating them with our favourite toppings – to Chinese New Year and St David's Day.

Even though we haven't been able to use the minibus, we hope the activities have made up for it in the short term! Now the minibus is up and running we are looking forward to visiting our favourite places along with the new. We have a 'wish list' drawn up which you can see later in this newsletter and any suggestions or feedback please do let us know and watch out for details on our life enrichment planners.

We continue to keep our community connections and there are a number of wonderful interactions planned with visits from Little Movers, West Kirby Choir, St Bridget's Baby Group, RNLI talk and of course we have the animals in for Easter.

We will continue with our regular activities including arts and crafts, quizzes, virtual events and much more!

Look out for details of our activities and events which we will share via the page and we extend a warm invitation for you to join us throughout the month.

Come along and join in the all of the action and make new friends.

Enjoy our posts as we show you what we have been up to!

NEWS FROM IN AND AROUND Caldy Manor

Shopping Supplies - Carolyn is now leading on sourcing any supplies such as shower gels, toothpastes, toothbrushes etc. If you are running low on items and would like to order, please ask Carolyn.

As we say hello to spring, we shall also start to think about being outdoors and enjoying our garden. We are looking forward to accessing our new raised planters and flower beds for those green fingered residents – watch this space!

Trip ideas!
