## A message from our General Manager

**Fabulous February we have had at Wood Grange, with celebrating Chinese New Year, love, and animals and much more...**

We welcome all the new residents to Wood Grange Care Home. It is lovely to meet you and I truly hope you enjoy being here with us. With Spring approaching we are all looking forward to the events and outings ahead with brighter days and fresh air. I would like to mention Enable, which is the latest edition to Wood Grange. This is a digital care planning technology. We look forward to this change over the next couple of months and are positive about transferring over to this new digital documentation platform. - Katya Petrova.
