General Manager Focus

Longer days are just around the corner

Dear families and friends,

Welcome to our Spring Newsletter, with the clock change and British Summer time upon us, we're looking forward to the longer days, warmer weather, and lots more time spent out in our beautiful gardens.

As ever, it has been a very busy start to the year at Bedewell Grange, with lots of refurbishments going on within our home. The works are due to finish in June and we can't for you all to see the grand reveal.

Our next focus with the help of our 'Bedewell Ground Force' group will be to get the gardens looking perfect as soon as possible so we can spend our time enjoying the Great British Summer.

Highlights this year so far have included - Chinese New Year, Burns Night, Valentine's Day celebrations, some trips to the local garden centre, Pancake Day, working with Hen Power and creating a resident's choir went out and sung at the Newcastle Library, live singers and so much more!

We of course have so much more planned for the warmer months, we'll keep you posted, feel free to attend any activities we run and everyone is welcome.

Celebrations in our home

We have celebrated some wonderful birthdays in the last few months and can't wait to celebrate even more over the coming months, they play an important part in our life enrichment programme. We would like to take this opportunity to congratulate our Senior Carer, Jilto who has successfully passed his exams to register as a nurse in the UK. The sad news is that he will be moving over to our sister home this summer, but we wish him every success.
