Barchester Nominated for 3 Laing Buisson Awards

Barchester is proud to have been named as a finalist in 3 Laing Buisson Awards categories: 'Residential Care (Larger Organisation)', 'Property Developer' and 'Property Investor'. The ceremony will take place on Wednesday 13th November 2019 at Park Plaza Westminster Bridge, London, where the winners will be announced.

This year, the awarding body received a record-breaking number of nominations for every single category, with over 400 entries in total.

Last year, we were delighted to take home the 'Property Developer of the Year' award, and Barchester CEO, Pete Calveley was recognized for his amazing work in the care sector by being presented with the 'Outstanding Contributions to Care' award.

Barchester Holds Key to Future Care

Barchester recently received the keys to Mortain Place in Eastbourne, enhancing our portfolio of care homes.

Lesley Standing, the General Manager of Mortain Place was delighted to accept the keys to the latest 80-bed property on Pevensey Bay Road from the Project Construction Manager Mark Tomalin, from McGoff Construction.

Mortain Place will provide personalised residential and dementia care for 80 older people in the neighbouring community, and will open its doors to residents in October.

Barchester will also be opening another care home in 2019: Trinity Manor in Sherborne. This service will offer dementia and residential care for 64 residents.
