

You're invited to our  
**Open Day**

**Saturday 14th October**

**Care as unique as your loved one**

By taking the time to get to know each person, we provide tailored care with a focus on their comfort and well-being. Our dedicated team is trained in a variety of skills.

**Delicious and nutritious food**

Variety and choice are so important when it comes to food. That's why our seasonal menus are nutritionally balanced and full of flavour. We cater to each person's preferences, and our sociable dining spaces make mealtimes an enjoyable experience. Delicious snacks and drinks are also available at any time of day.

**Everyday laughter and joy**

Summer is the perfect time of year to enjoy our outdoor spaces, garden events and trips out of the home to local places of interest. In addition, each person can continue their much-loved hobbies, take part in art and fitness classes, and watch virtual performances from the likes of the V&A Dundee, the English National Ballet and The Wallace Collection.
