Hello and Welcome!

Hello everybody and welcome to our first Spring Newsletter.

Firstly, I wanted to thank you all – our residents, relatives, friends and staff for being so patient and supportive during this time. We are all pulling together and doing our best to make sure that everybody is safe and happy.

I also wanted to let you know that during this time of difficulty, we will be increasing the number of newsletters we publish in order to keep everybody as up to date as possible with the happenings here at Oulton Park.

In this newsletter we will be looking back to some of the great events that have happened in the home over the last few months. We can reflect on these great memories. We have also included some of the lovely photos from the brilliant Mother's Day we had.

I hope you enjoy reading about what we have going on here at Oulton Park.

Looking back over the last few months...

Here are some photos from the last month or two. We have lots of activities going on at our home and it good to take some time to reflect!

Keeping in touch!

Our good friends the 'Parkies' have been thinking about us. They made us a card and wrote a message to our residents. We are very much looking forward to when we can welcome them back into our home for activities.

Mother's Day Celebrations

We had lots of deliveries of flowers, chocolates and cards for the Mothers here at Oulton Park. We also had a flower arranging activity for residents to display in their rooms! The beautiful flowers brightened everybody's day.

Here are some pictures of the beautiful flower arrangements.
